

Share N300 Wireless Modem Router

Share photos and files, and print wirelessly from anywhere in your home.

Part # F7D3402uk

Share photos and files, and print wirelessly from anywhere in your home

Performance

Great speed and coverage, with a range that covers any size home.

Speed

Get the fastest speeds for all your wireless activities. 802.11n technology gives you speeds of up to 300 Mbps*—that's 5 times the speed of G.

3D Coverage

Dual-plane antennas and MIMO technology provide three-dimensional whole-home coverage for consistent signal, even through walls and floors.

Security

WPS/WPA2 encryption standards and preset security settings get you up and running safely. One-touch Wi-Fi Protected Setup (WPS) securely connects multiple computers and devices with the push of a button.

Easy Setup

Features

- Performance – Step up to better wireless High-Performance Networking N300/802.11n
- Speed N technology means great network performance, with speeds of up to 300Mbps*
- Coverage MIMO technology provides coverage for any size home
