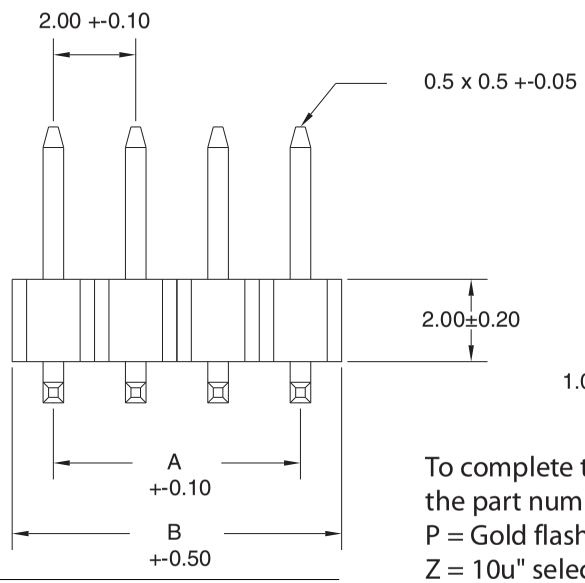
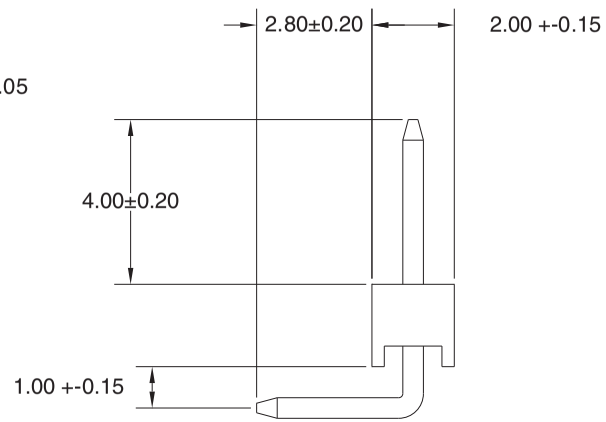
SPECIFICATIONS

Current Rating:	1 Amp
Insulator Resistance:	5000 Megohms min.
Dielectric Withstanding:	500VAC
Operating Temperature:	-40 Degrees C. to +105 Degrees C.
Contact Material:	Brass
Insulator Material:	PBT,UL 94V-0
Contact Finish:	Overall Gold or Selective Plating Gold/Tin

Standard Part is:
PBT
Overall Gold Flash plating

Contact Sullins Electronics for additional plating options available.





To complete the part number, replace "xx" with number of contacts. The 3rd letter in the part number designates plating. Insert:

P = Gold flash all over
W = Selective Gold Flash / Tin on tail
Z = 10u" selective Gold / Tin on Tail
X = A30u" selective gold / Tin on tail
