

Twin Industries ABS project boxes with custom-fit prototyping boards are sold together under a single part number, eliminating the need to find a generic board and cut or shape the board to fit box dimensions. Screws to close box are included (no other hardware provided).

Features:

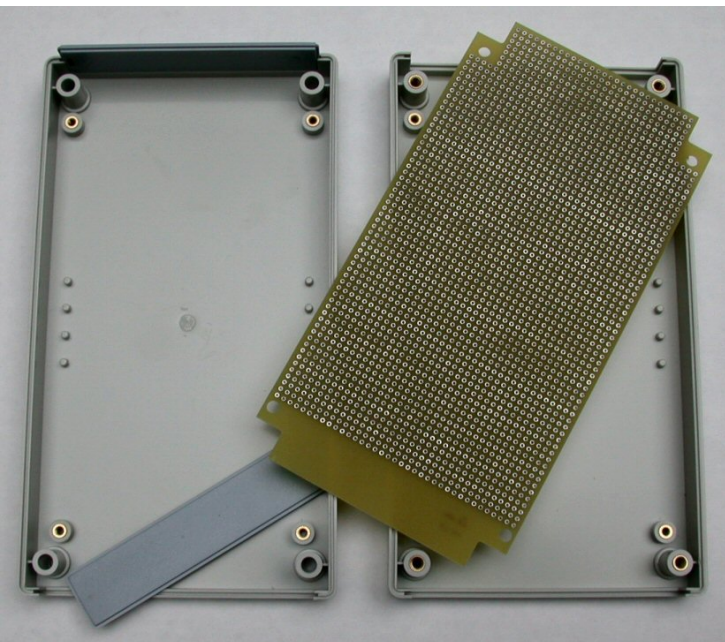

- Protoboards made with FR4 laminate, 0.062" thick
- Removable end panels with contrasting color
- Prototyping holes spaced on 0.1" x 0.1" grid
- Boards may be attached to threaded stand-offs in top or bottom of box

Part Numbers:

B40-8000

Box size: 7.7" x 4.3" x 2.9"

B45-8000

Box size: 7.7" x 4.3" x 1.4"
