

Accessories Clip/Clamp

Clips/Clamps can be used as an extra lock to secure two connector halves. Due to its design it also offers the possibility for fixed mounting a mated pair by using a screw or a cable tie.

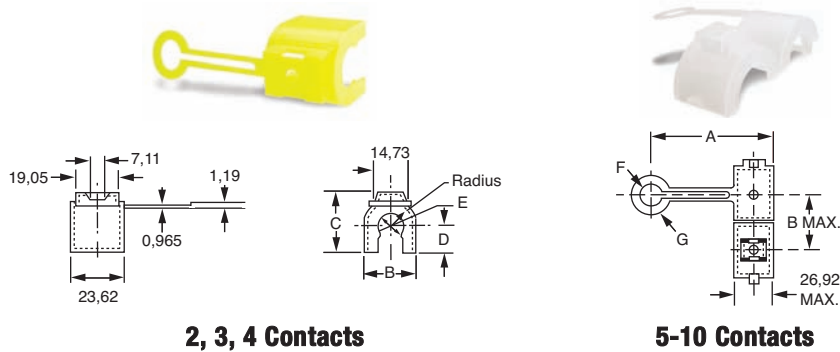

Clamp

Clamps, plug and receptacle in mated condition

Mounting Clip

Clamps, plug and receptacle in mated condition

Connector size	Color of clip	Order ref.	A max.	B	C	D	E Ø	F max.	G max.
