# Panel Mounted Modular Couplers

ECF ECJ

30 µ Gold

These straight and cross wired modular couplers are useful for connecting modular components. Eight different configurations all fit into the same 0.669″ × 0.906″ rectangular opening. Wire contacts have 30 microinch gold plating for multiple insertions. Plastic is 94V0 rated. **Color:** Ivory. Flange accepts #4 or #5 mounting screws (recommended 4-40 screws must be purchased separately). Category 3 rated.

30 µ Gold, with 10" Wire Leads

One difficulty in using modular jacks has to do with the mounting problem on a panel. L-com has a solution to the problem, by providing a flange that mounts with two screws in a 0.669″ × 0.906″ rectangular opening. Choice of RJ11/12 (6 × 6) or RJ45 (8 × 8 K) usable with keyed or non-keyed plugs. Recommended 4-40 mounting screws must be purchased separately.

Category 5 Keystone Style RJ45 Couplers

Shielded Unshielded

Two Category 5 feed-thru modular couplers are available for mating EIA568A or B Category 5 connections. Couplers come in shielded and unshielded version, the unique offset design maintains Category 5 performance and limits depth to only 1.25″. Designed to mate with keystone style holes. **Color:** Black.

15
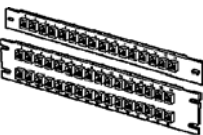

Category 5 Keystone Style RJ45 16 and 32 Port Panels

These 19″ rack panels utilize the UJ5T568 and UJ5T568S couplers listed above. 16 and 32 port versions are available in shielded and unshielded configurations. Category 5 rated. **Color:** Black.

Mini DIN Feed-Thru Adapters

Available in Mini DIN-4, 6, and 8 female/female types. Units are nickel plated brass and utilize a ¹/₂″ "D" hole for mounting. Contacts are gold plated.
