

A diagram of a U-shaped object. The total width is 16, the height is 11, and the central gap has a width of 2. The object is composed of a central rectangular section and two side rectangular sections. The central section has a width of 14 (16 - 2) and a height of 11. The side sections have a width of 1 each (2 / 2) and a height of 11. The total width is 16, and the total height is 11.

An isometric drawing of a mechanical part. It is a rectangular block with a circular hole on the front face. The top edge of the block has a rectangular notch cut out of it. The part is shaded to show its three-dimensional form.
