

Metal styling, ultra-reliable.

Kingston's DataTraveler® SE9 USB Flash drive has a stylish metal casing with a large ring so it will attach easily. The small form factor makes it a great accessory for notebooks like Intel's new Ultrabook™ as well as tablets that offer USB ports. Its durable casing lets users securely carry this drive everywhere they go with their new devices.

DataTraveler SE9 is covered by a five-year warranty and legendary Kingston® reliability.
