J74MST-124 SHOWN

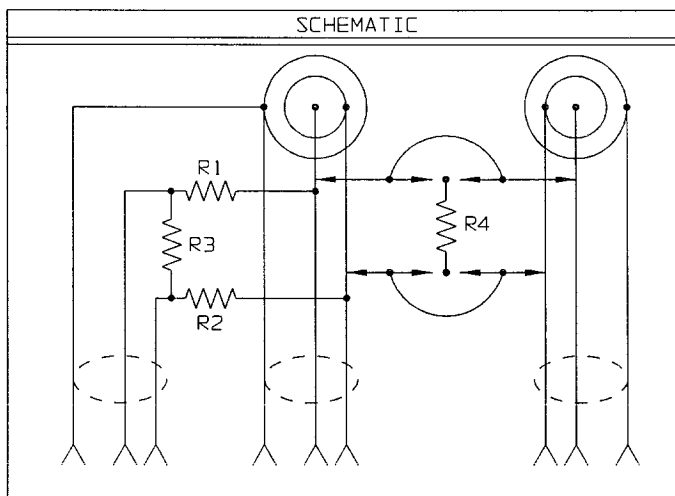

RED INDICATES ORIGINAL

3. EXAMPLE OF COMPLETE MODEL NO:

2. DUAL TWINAX/TRIAX SELF NORMALLING, SELF TERMINATING  
PATCH JACK WITH SEPARATE 20 dB ISOLATED MONITOR JACK  
AND TRB INPUT RECEPTACLES

1. FINISH: TFS-1A (NICKEL)

|                                                                                                                                |                 |                                                               |  |                                                                                                                               |                 |                             |                         |           |
