Data sheet

Weller part no.   T0053429399

Description.   Dual channel solder / desolder station type WXD 2020 ESD safe

Comprises.   power unit WXD2 part no. T0053426699

Soldering iron WXP120 part no T0052620299

Safety rest with dry cleaner WDH 10 part no T0051512199

Desoldering iron WXDP 120 part no T0051320199

Safety rest with dry cleaner WDH 70 part no T0051517299

Supply required .   230V / 50Hz

Compressed air required.   max. pressure 0.7bar /35 l/min

Rating   200W

Display   LCD

Temperature range   50C – 450C

Temperature accuracy   +/- 9C

Temperature stability   +/- 2C

Pre set temperatures   3 per channel, operator selected

Operating parameters   saved on tools
