

## Produkt Informationen

# Weller®

### WTCP 51 Set

Bestellnummer : **T0053220699**

## Soldering Station Set

WTCP 51 Soldering Station Set with P 51, 50 W, 230 V, soldering iron TCPS 50 W, 24 V, LT M tip and KH 20 safety rest

## Technical data

This station is ESD safe.

|                               |                                              |
|-------------------------------|----------------------------------------------|
| <b>Dimensions L x B x H:</b>  | 166 x 115 x 101                              |
| <b>Power supply:</b>          | 230 V (240 V, 120 V),<br>50 (60) Hz          |
| <b>Heating voltage:</b>       | 24V, 50 (60) Hz                              |
| <b>Power input</b>            | 55 W                                         |
| <b>Soldering iron:</b>        | max. 50 W at 24 V                            |
| <b>Display:</b>               | no                                           |
| <b>Temperature control:</b>   | two-level controller                         |
| <b>Equipotential bonding:</b> | yes                                          |
| <b>USBinterface:</b>          | no                                           |
| <b>Control:</b>               | Two-level controller with temperature sensor |
