

The 7000 Series of professional, heavy duty, modular LCD/TFT VESA ceiling mounts provide a flexible solution for professional installers.

VESA 60mm Tube Mounts

- Fixes to the base of B-TECH 60mm poles
- Maximum load capacity 20kg
- **BT7561**: Mount for one VESA LCD screen, offering variable tilt
- **BT7562**: Mount for two VESA LCD screens, mounted back to back with a fixed tilt of 20°
- **BT7506**: Adaptor for VESA 'E' screens (200mm x 100mm centres)

Modular Ceiling Poles

- Available in graphite black, silver or chrome plated finish
- Available in 0.5m, 1m or 2m lengths, they may be screwed together with other poles to make different length ceiling drops

BT7001 Ceiling Mount

- Available in graphite black, silver or chrome plated finish
- Can be used with angled ceilings maximum 35 degrees
- Designed for use with 60mm diameter tubes

BT7002 Ceiling Beam Mount

- Beam mount for ceiling with beams
- Ceiling plate dimensions 460mm x 95mm

BT7003 Heavy Duty Swivel Wall Bracket

- Swivels both at the wall and at the cradle
- 570mm distance from wall to cradle

BT7016 Girder Mount

- Mounting kit for fixing B-TECH Professional Series products to various size 'I' girders
- 'Swinging Arm' fixing to accomodate non-horizontal girders
- Width adjustable from 80mm to 250mm
- Load capacity 90kg
