

Technical drawing of a rectangular plate with dimensions and hole patterns. The drawing includes a side view on the left showing the plate's profile with a 4-R2 fillet and a 3.5 mm thickness. The main view shows a 130.0 mm x 120.0 mm plate with a 4.5 mm thickness. The hole patterns are defined by the following dimensions:

- Top Edge:** 4-R2 fillet, 1.0 mm distance from the top edge to the first hole.
- Left Edge:** 3.5 mm distance from the left edge to the first hole.
- Hole Patterns:**
 - 16- $\phi 3.5$ C1:** A grid of 16 holes, 4 rows by 4 columns, with a 17 mm pitch.
 - 8- $\phi 4.5 \times \phi 8.5$ 沙拉孔:** A grid of 8 holes, 2 rows by 4 columns, with a 17 mm pitch.
- Bottom Edge:** 5.0 mm distance from the bottom edge to the first hole.
- Right Edge:** 9.5 mm distance from the right edge to the first hole.

The drawing also includes a detailed view of the hole patterns, showing the 16- $\phi 3.5$ C1 holes and the 8- $\phi 4.5 \times \phi 8.5$ 沙拉孔 holes. The dimensions for the hole patterns are as follows:

- 16- $\phi 3.5$ C1:** 4 rows by 4 columns, with a 17 mm pitch.
- 8- $\phi 4.5 \times \phi 8.5$ 沙拉孔:** 2 rows by 4 columns, with a 17 mm pitch.
