INDUSTRIAL MARKING

Anti-Skid Tape

Anti-Skid tape's high degree of friction helps to prevent slipping and falling on wet or slippery floors. Rugged B-916 is an adhesive backed plastic tape coated with thousands of particles of durable aluminium oxide grit.

- Bonds permanently to clean, dry floors.
 - Works indoors or outdoors.
 - Withstands grease and oil.
- Eliminates masking clean-up and drying time.
Available as rolls or in cleats.
