

Portable storage that continues on the Kingston tradition of quality.

With capacities of up to 32GB, the reliable DataTraveler® Generation 3 (G3) is ideal for your important documents, music, video clips and favourite photos that can be stored and retrieved in a flash. Available in three fun colours by capacity, it's a perfect fit for the office, home, school and wherever you travel. A well-built cap protects the USB plug and your data.

DataTraveler G3 also makes a great promotional item for your organisation; it's simple to add your logo to increase brand recognition.

DataTraveler G3 is backed by legendary Kingston® reliability plus a five-year warranty.
