

Designers and Manufacturers of Heat Tools for Industry

MASTER ULTRATANE™ BUTANE

The only approved butane recommended to fuel all Master butane powered heat tools

- Available in 2 convenient sizes: 5 1/8 oz/145 gram and 15/16 oz/26 gram canisters
- Triple refined, "non-clogging" formula prevents clogging of internal filters
- Special vapor pressure for consistent self ignition of heat tools
- Contains no CFC's (chlorofluorocarbons), will not harm the ozone layer
- Each canister comes with a convenient, single piece filler tip which fits multiple size orifices
- Part No. 10448, 15/16 oz. size meets ORM-D consumer commodity class and can be shipped via ground transportation without a hazardous material charge
- Shipping cartons premarked and labeled per DOT (Department of transportation) regulations
- For best performance use Master Ultratane Butane
