

# SMART-CASE

## Contoured handheld enclosures – great to hold

The idea of giving greater expression to ergonomic requirements was the starting point in the development of our SMART-CASE plastic enclosures.

# SMART-CASE

## Applications and Examples

- Many different types of remote control systems
- Mobile USB solutions
- Specially made for the medical and social fields as well as in the household and in industry

BIOFIT test unit for eye frequency

Controlling treatment beds

Infrared hand transmitter for suncreening curtains

Laser distance measuring device

Leak locator

Nurse presence and staff alert

Remote trainer for dog training

Sleep screening system

System for digital respiratory sound analysis

System for leak detection in caravans and campers

## View Customizing Options

What do you still need for your own very personal product? We can supply enclosures and tuning knobs with all necessary modifications for fitting your electronic components.  
Customizing options for Smart-Case
