

plantronics®

All-day comfort and convenience

Mirage® Headset

Long-wearing comfort for busy professionals who prefer an earloop design. The Mirage with noise-canceling voice tube microphone provides great audio quality in a headset that can be worn all day long.

Mirage®

The Mirage headset is stylish and unobtrusive, with a sculpted shape that fits perfectly behind either ear, eliminating the need for a headband. It is so light, you hardly know it's there. For added comfort, a receiver that swivels at a touch, rests lightly on the side of the ear. Convenient Quick Disconnect feature lets you walk away from your phone while still wearing your headset.

MIRAGE KEY FEATURES

- Lightweight, convenient over-the-ear design provides easy on/off flexibility.
- Ergonomically sculpted shape fits comfortably behind either ear.
- Adjustable speaker rests lightly against the ear.
- Superior Sound. SoundGuard® technology provides natural voice tone and removes loud tones, as well as occasional noises and crackles on the line.
- Quick Disconnect™ lets you walk away from your phone while still wearing your headset.
- 10-foot coil cord and adjustable clothing clip for freedom of movement.
- Available with Voice Tube or noise-canceling microphone:

Voice Tube—Plantronics' trademark design; light weight and unobtrusive, delivers great sound quality in all but the noisiest environments.

Noise-canceling—Filters out background sounds for heightened speech clarity.

- Warranty: Two years for unsurpassed durability.

TECHNICAL ASSISTANCE CENTER

Backed by Plantronics industry-leading global service and support.

800-544-4660 (US and Canada)

Mirage headsets require a Plantronics audio processor, USB audio processor, or direct connect cable to connect to phone, PC or computer.

VISTA® M22 AUDIO PROCESSOR

The Vista M22 audio processor delivers precise levels of listening comfort, sophisticated hearing protection, and superior audio performance. The Vista M22 includes Clearline™ audio to improve call quality in any environment, especially wideband VoIP.

DA45™ USB AUDIO PROCESSOR

Compatible with all Plantronics H-series headsets, this headset-to-USB adapter/audio processor brings superior call clarity to PC-based communications. The DA45 USB provides advanced audio technologies, plug-and-play connectivity, and Quick Disconnect.
