

<b>TECHNICAL SHEET</b> Référence <b>45411</b>	Brand name	<b>SAFE ! LUX</b> <b>SAFELUX 38W</b>		
	Description		N° : Page(s) :	FT45411 1/1

## Technical information

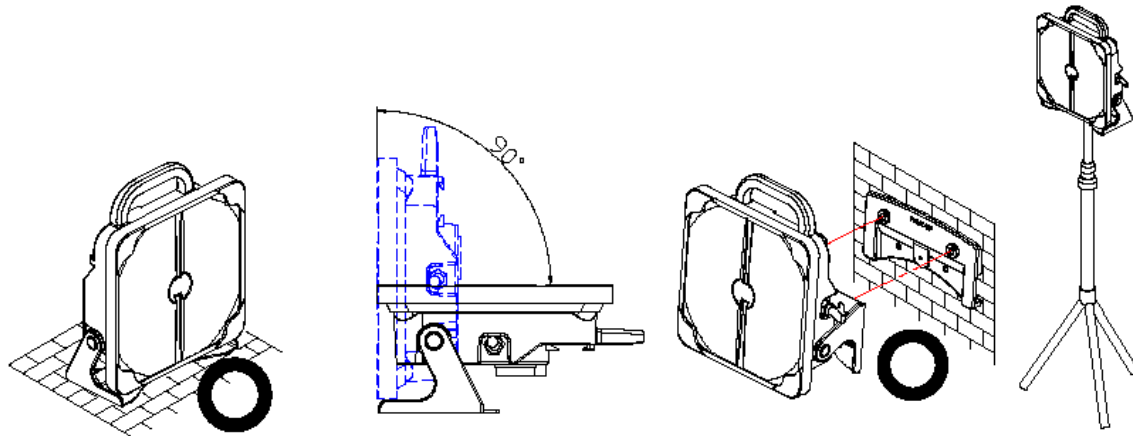

In : nominal power	-
Un : nominal voltage	AC 230V
f in Hz : frequency	50 Hz
T° color	Daylight
IRC	85
Cable Type :	HO7RNF 2x1mm <sup>2</sup>
Luminous Flux (Lumen) :	2300
IP : protection	IP 65
IK : shock	IK 10
Life time (Hours) :	8000 heures (5 to 6 years)
Weight : in Kg	2,7 Kg
Dim : (LxIxh) en mm	345 x 280 x 140 mm
Color :	RAL Blue Reflex
Unit per box :	1
Protection class :	Class II
Custom code :	94054035
Gencod :	3700300600104
IEC Certifications :	EN60598-1 & EN60598-2-4
