

DATA Sheet

Optical Fiber Adapter Strips

AX100094 Single density, loaded with 3 SC Duplex

AX101729 Single density, loaded with 6 LC Duplex

Universal Optical Fiber Adapter Strips are pre-loaded with six (single density) or 12 (double density) adapter sleeves. Adapter sleeves are used as the connecting interface between two optical fiber connectors. Belden offers two types of sleeve material: Phosphor Bronze and Zirconia Ceramic. The Zirconia Ceramic sleeve is the preferred choice for Singlemode connection in the market place because of the following reasons:

- > More consistent insertion/withdrawal force
- > Better optical performance
- > No oxidation in high humidity or salt-laden atmosphere.

Belden offers Universal Adapter Strips for ST Compatible, SC, FC, 568SC (Duplex SC), LC Duplex and MT-RJ connectors.

Features & Benefits

- > Push-pull coupling with floating ferrule
 - for positive locking and contact stability
- > Ceramic ferrule and plastic housing
 - for long term reliability
- > Duplex version with A and B marking as per TIA/EIA-568-B.3 – for ease of administration
- > Available in PC (MM), SPC (SM) and UPC (SM) polish for maximum performance.

Applications

- > Secure networks in government agencies and Military facilities
- > Data Centers treating sensitive and classified information
- > Telecom Room and Consolidation Point connection in secure network
- > Used in Rack Mount and Wall Mount patch panels
- > Indoor use only.

Technical Specifications

- > MT-RJ adapters do not contain any alignment sleeves (by design).

Packaging

- > Individually packaged in a clear plastic bag
- > Standard shipping packaging is a box of 30 units.

Optical Fiber Adapter Strips

Ordering Example

> 1st: Order the universal connector panel

For example: one FiberExpress, 1U Rack Mount Patch Panel, Black

Ordering requirements: quantity one of AX100041.

> 2nd: Order the universal strips

For example: two double density Universal Optical Fiber Adapter Strips loaded with six 568SC Duplex adapters, Black

Ordering requirements: quantity two of AX100098.

> 3rd: Order the accessories

For example: one 23 in. extension bracket, Gray and one Front Cover Smoked Plexiglass

The Front Cover Smoked Plexiglass comes as an option on the FiberExpress 1U Rack Mounted Patch Panel and comes standard with the other models (2U, 3U and 4U)

Ordering requirements: quantity one of AX100016, quantity one of AX100045.
