Olympic P/N 6357E, TPE Jacket Coiled Cords, SVEO, SJEOW, SEOW

TPE Jacket Coiled Cords, SVEO, SJEOW, SEOW

Retracted Lengths 1, 2 & 4 Feet - Extended Lengths 5, 10 & 20 Feet

Long-lasting service is assured with this quality multiconductor power cord. Each conductor is stranded copper, with TPE insulation, and a rugged weather and oil resistant TPE jacket overall.

Application:

Used on electric tools, portable drills, soldering irons, electrical appliances, household appliances, etc., to eliminate loose hanging wires and to prevent wires from tangling and twisting.
