

**83 542 0 2 -pole - telescopic button Part number 835433**

- High switch rating
- Low level
- Long mechanical life
- Reliability

**Part numbers**

Type	Functions	Connections
83 543 3 2 -pole - telescopic button	Changeover	W2 solder

**Specifications**
**General characteristics**

Microswitch	83 133 0
-------------	----------

**Presentation**

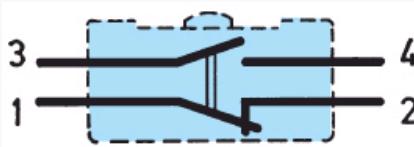

Threaded barrel	■
Chrome-plated nuts	■
Locating washer	■

**Mechanical characteristics**

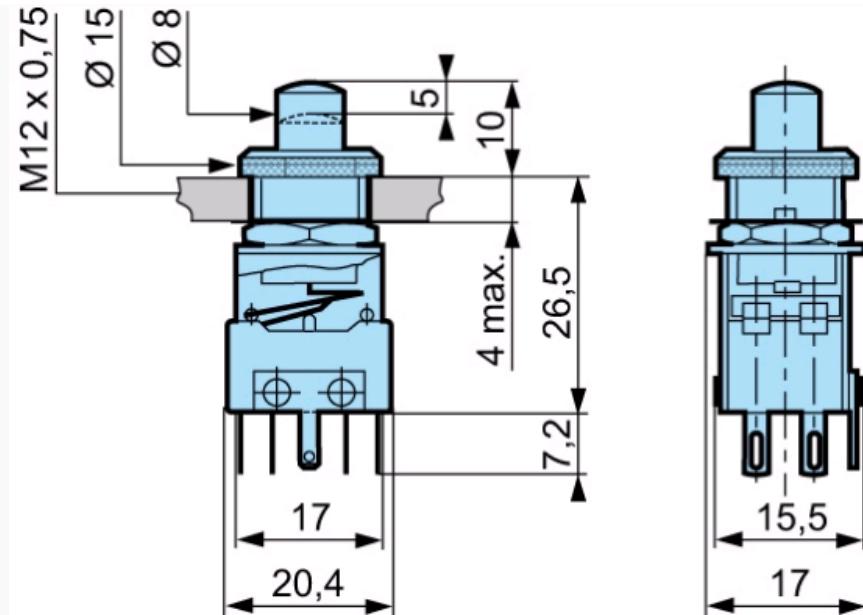

Protection against electric shocks to IEC 536 and NF 20030	Class I
Mechanical durability of operating device (operating cycles)	$10^5$
Weight (g)	13

**Other characteristics**
**<T1>Mounting - Operation</T1>**

See basic technical concepts on page 2/4

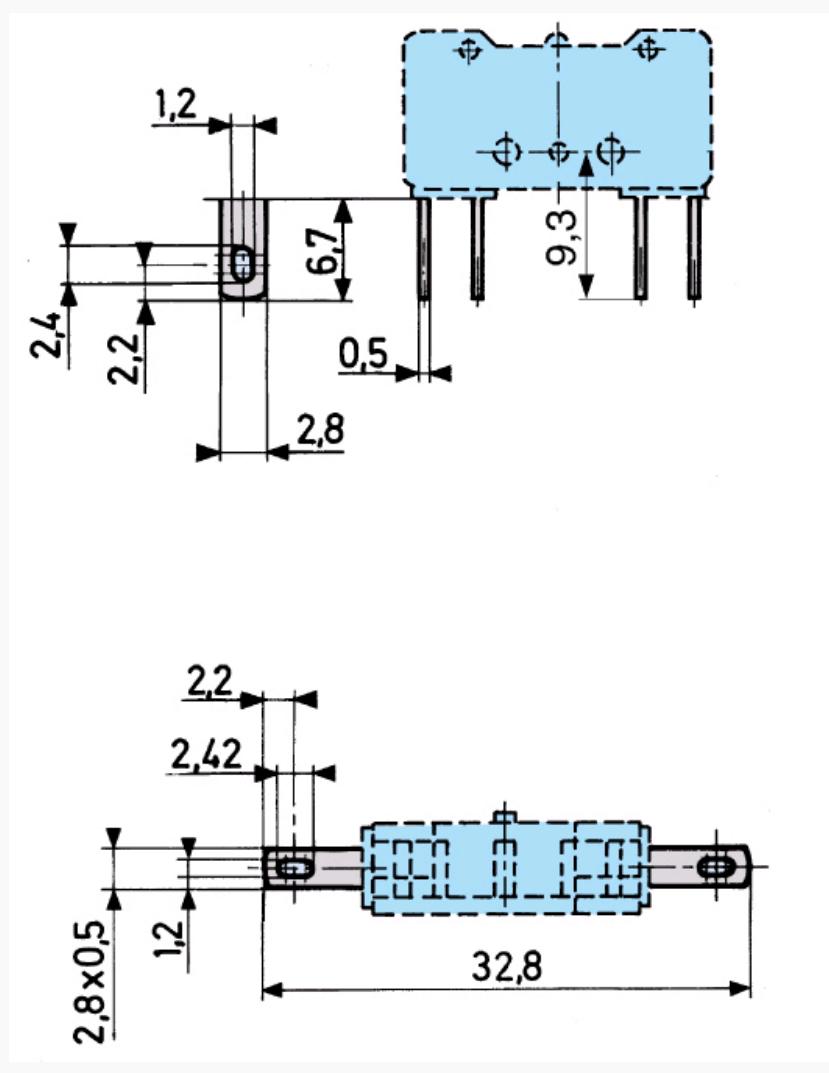

**Principles**

**Dimensions (mm)**
**Product**

EN COM\_MAN\_N017
