| Product Type Features          |                          |
|--------------------------------|--------------------------|
| Connector Type                 | Header                   |
| Electrical Characteristics     |                          |
| Impedance (Ω)                  | 100                      |
| Termination Features           |                          |
| Termination Method to PC Board | Through Hole - Press Fit |
| Dimensions                     |                          |
| Stack Height (mm [in])         | 28.00 [1.102]            |
| Body Features                  |                          |
| Blindmate                      | No                       |
| Contact Features               |                          |
| Contact Type                   | Pin                      |
| Number of Power Contacts       | 0                        |
| PCB Contact Area Plating       | Matte Tin                |
| Contact Base Material          | Copper Alloy             |

| Housing Features             |                                      |
|------------------------------|--------------------------------------|
| Housing Color                | Black                                |
| Housing Material             | Thermoplastic                        |
| Configuration Features       |                                      |
| Number of Pairs              | 80                                   |
| Number of Pairs per Column   | 8                                    |
| Number of Single Ended Lines | 0                                    |
| Number of Contacts           | 259                                  |
| Preloaded                    | Yes                                  |
| Industry Standards           |                                      |
| RoHS/ELV Compliance          | RoHS compliant, ELV compliant        |
| Lead Free Solder Processes   | Not relevant for lead free process   |
| RoHS/ELV Compliance History  | Always was RoHS compliant            |
| Other                        |                                      |
| Brand                        | TE Connectivity                      |
| Node Classification          | Board-to-Board Headers & Receptacles |
