Technical data according to ETIM 4.0

Voltage type of supply voltage			DC
Expandable			Yes
With display			Yes
Number of HW-interfaces RS232			0
Number of HW-interfaces serial TTY			0
Max. number of integrated digital inputs			12
Supporting protocol for LON			No
With time switch			No
Max. number of integrated analog outputs			1
Number of HW-interfaces RS485			0
Max. number of integrated digital outputs			8
Protection type (IP)			IP20
Number of Industrial Ethernet HW interfaces			0
Number of HW-interfaces RS422			0
Switching current		A	8
Max. number of integrated analog inputs			4
With relay output			Yes
Number of HW-interfaces other			0
