DATA-/TELECOMMUNICATIONS

Supporting plates for modular jacks

Supporting plate for 2 MINI-COM modules

anthracite, high-gloss	10	09 4559 25 05
grey, high-gloss	10	09 4559 25 07
polar white, high-gloss	10	09 4559 25 09

for order-no. 1980, 1981, 1983, 1984, 1989
dummy module see module inserts / accessories
order no. 1990

Modules:
Panduit

- for mini jacks cat.3, cat.5, cat.5e and cat.6
- for optical fibre OPTI JACKs
- for Simplex-ST and Duplex-SC fibre-optic couplings
- for BNC connector modules
- for cinch connector modules
- for DIN round connector SVHS modules
- for dummy modules 1gang
- with 30° oblique outlet

Cinch sockets

NEW

Cinch module set

white/red 1 * * 1989

for order-no. 0945 59 25 .., 0945 .., 1427 ..
dummy module see accessories order no. 1990

- with 2 Cinch sockets and module carriers
- with tool free cutting terminals

Modular jacks

Mini jack 8pole

black, RJ45, cat.3 ISDN-compatible	10	1980
RJ45, cat.5, shielded (AWG 22-23)	10	# 1981
RJ45, cat.5E shielded (AWG 22-24)	10	1984
RJ45, cat.6, shielded	10	1983

for order-no. 0945 59 .., 1427 ..

Cat.5 to DIN EN 50173-1:2003 and ISO/IEC 11801, 2nd edition

Cat.6 ISO/IEC 11801 2nd edition

Protective screen DIN EN 55022 class B

Colour coded to EIA/TIA 568A and 568B

- with insulation piercing terminals

Dummy module

NEW

Blank modul

polar white, 1gang 1 * * 1990

for order-no. 0945 59 .., 0945 .., 1427 ..

Supporting plates for modular jacks

Supporting plate for AMP modular jacks 1gang

anthracite, high-gloss	10	09 4557 25 05
grey, high-gloss	10	09 4557 25 07
