BIT,IMPACT AUGER 11/16"X24" (POP)

11/16 x 24 Impact Auger Wood Bit

Cat No: 70PT-11/16

UPC No: 783310110972

Description

- Patented cutting edge for fast easy drilling of clean holes, especially in salt treated utility poles
- Made from hardened alloy steel for added toughness
- The self-feeding threaded screw point draws the bit completely through the wood - no need to push the bit while drilling
- Over center flute for evacuating chips
- Shaft is straightened for fewer vibrations to the hand and to help control the quality of the hole
- Cutting edge can be re-sharpened multiple times and continues to self feed
- 7/16 IN Hex Shank with easy to fit quick change groove for Impact Drivers

Specifications

- Application : For Fast Easy Drilling Of Clean Holes, Especially In Salt Treated Utility Poles And Wood
- Bit Diameter : 11/16 IN
- Material : Hardened Alloy Steel
- Overall Length : 24.000 IN
- Shank Diameter : 7/16 IN
- Shank Type : Hexagonal
- Type : Long, Impact
