

Tektronix Silver Care Package Reference Guide

Tektronix Silver Care Packages are an effective way to control repair costs, protect you from unplanned expenses for 5 years and minimize your downtime.

The Benefits of a Silver Care Package:

- No Hassle Service – No Purchase orders, quotes or approval delays
- No Additional Repair Costs – Service package covers all parts, labor and 2-day air shipment
- “Like-new” Factory Performance – Calibration and adjustments performed with each repair
- Five years of complete coverage for a fraction of the cost of a single product repair
