SUPERIOR PRODUCT DESIGN, BETTER PERFORMANCE & LONGER LIFE

The **ECLIPSE•SPIRALUX** range of hand riveting tools, offers a comprehensive selection of models designed for light industrial and engineering use. The riveter bodies and operating levers are manufactured from the finest pressed steel and the jaws, nose bushes and similar stressed parts are hardened and tempered or case hardened for durability, all of which means you can be totally assured that the **ECLIPSE•SPIRALUX** range of quality riveters is simply the best money can buy. Through better product design, better performance and longer life, the **ECLIPSE•SPIRALUX** range offers far greater value for money than equivalent competitor models.

ECLIPSE SPIRALUX RIVETERS

Heavy Duty Long Nose - 2720

Part No	Description	For use with Rivet Sizes	Pick Size
2720	Heavy Duty Long Nose	3mm (1/8") 4mm (5/16") 5mm (3/8")	1

A versatile variation of the 2730, with extra long nose to facilitate access in recessed situations such as corrugated sheet. Supplied with 4 interchangeable noses.

Heavy Duty - 2730

Part No	Description	For use with Rivet Sizes	Pick Size
2730	Heavy Duty	3mm (1/8") 4mm (5/16") 5mm (3/8")	1

The market leading professional heavy duty riveter, best suited to engineering and maintenance projects. Supplied with 3 interchangeable noses.

Easy Grip - 2770

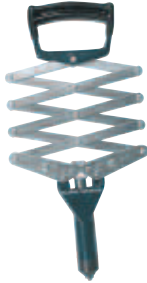

Part No	Description	For use with Rivet Sizes	Pick Size
2770	Easy Grip	3mm (1/8") 4mm (5/16") 5mm (3/8")	1

Easy one-handed operation. Well suited to light engineering use, especially for the home and workshop, providing a professional finish.

Lazy Tong - 2750

Part No	Description	For use with Rivet Sizes	Pick Size
2750	Lazy Tong	3mm (1/8") 4mm (5/16") 5mm (3/8")	1

This powerful and versatile tool has the advantage of being operated with one hand, providing no loss in efficiency. Useful on vehicle maintenance, agricultural projects and construction.

Long Arm - 2760

Part No	Description	For use with Rivet Sizes	Pick Size
2760	Long Arm	4mm (5/16") 5mm (3/8") 6mm (1/2")	1

The long arms reduces to the minimum the effort required to set rivets up to 6mm. Probably the most powerful industrial hand riveter available today. Ideal for boat building and coachwork, agricultural machine maintenance, etc. Supplied with 4 interchangeable noses.

Multi-Head - 2780

Part No	Description	For use with Rivet Sizes	Pick Size
2780	Multi-Head	2mm (1/16") 3mm (1/8") 4mm (5/16") 5mm (3/8")	1

Rotating nose for easy rivet size selection, versatile quick change system, and dual position head (vertical and horizontal).

General Purpose Riveter - 2800

Part No	Description	For use with Rivet Sizes	Pick Size
2800	General Purpose	2mm (1/16") 3mm (1/8") 4mm (5/16") 5mm (3/8")	1

General purpose riveter, equipped with 4 interchangeable noses, also features automatic ejection of mandrel, slip guarded comfort handles and an internally stored spanner for changing nose bushes.

Easy Grip Kit - 2772

Part No	Description	Pick Size
2772	The 2770 riveter is supplied with a selection of 3mm, 4mm and 5mm aluminium rivets. Packed in attractive hanging box, offering good product visibility.	1

Heavy Duty Kit - 2735

Part No	Description	Pick Size
2735	A carefully conceived engineering riveter kit, comprising robust hinged plastic box and 200 assorted 3, 4 and 5mm aluminium rivets and 2730 heavy duty riveter.	1
