CPS05W-150-FR

This product offers an excellent protection for cable assemblies against heat. No heat is required to seal the ends of this product as with traditional braided sleeves. With its wraparound design, it can be installed on assemblies where the wires are already terminated or where wires need to be broken-out.

T&B Catalog Number:
CPS05W-150-FR
EAN Number:

05414363149583

UPC Number:

78621090399

Description:

Flame retardant wrap-around for cable protection and bundling. Flame retardant rated, with a nominal thickness of 1.5 mm, black.
