Brilliant ideas, brilliant colour

- High-technology matches the brilliance of your ideas with new HP ColorSphere Toner. With up to 40% higher gloss over HP's Color LaserJet 4650 using high-gloss mode on HP Laser Glossy Photo and Imaging Paper that produces a dynamic range of bright, brilliant colour so your HP Color LaserJet printing system brings your ideas to life. (Percentage improvements based on internal testing using Industry Standard 75° Gloss Meter.)

So easy, you're more productive

- Quick, easy, more productive. New HP ColorSphere Toner enables fast, high-quality printing. HP Smart printing technology* in HP supplies interacts with the printer to consolidate needed supplies into a single order. You choose the reseller and order online**.

Consistent results, real value

- HP Smart printing technology* is finely tuned to the unique properties of HP's new ColorSphere Toner, enabling the cartridges and the printer to make continuous adjustments that optimise print quality and reliability. Consistent, reliable results save time and provide value.

* Using genuine HP supplies ensures availability of all HP printing features. ** Program features and availability may vary by country. For more information, visit www.hp.com/learn/suresupply. Order consolidation available on printers with HP Easy Printer Care Software installed.
