

## Compression Glands (Brass)

### Compression Glands (BSPT)

- Brass compression glands suitable for fitting temperature sensor probes in various diameters
- Available in 1/8", 1/4" and 1/2" & BSPT
- Suitable for probe diameters of 1.5, 3.0, 4.5 and 6.0mm

| Thread Type | Thread Size | To Suit Probe (mm) | Farnell Code | Lab Stock Code |
|-------------|-------------|--------------------|--------------|----------------|
| BSPT        | 1/8"        | 1.5                | 708-8206     | FC-001         |
| BSPT        | 1/8"        | 3.0                | 708-8218     | FC-002         |
| BSPT        | 1/8"        | 4.5                | 163-3403     | FC-005         |
| BSPT        | 1/8"        | 6.0                | 708-8220     | FC-011         |
| BSPT        | 1/4"        | 3.0                | 163-3404     | FC-029         |
| BSPT        | 1/4"        | 4.5                | 163-3406     | FC-032         |
| BSPT        | 1/4"        | 6.0                | 163-3407     | FC-037         |
| BSPT        | 1/2"        | 6.0                | 163-3408     | FC-092         |
