

SITE MAT

***THE ULTIMATE OUTDOOR SOLUTION FOR
ON-SITE SPILL PROTECTION***

 **Lubetech**[™]
Innovators in Spill Control Technology

SITE MAT

Lubetech continues to write it's compelling environmental story with the launch of the Site Mat range.

The Site Mat has been developed to provide a quality on-site solution to meet the increasing demand for the protection of the environment.

The Site Mat allows the free-flow of filtered water through the products side walls, eliminating the requirement of regular decanting of secondary containment trays when deployed outdoors.

FILTATECH SMART LINER PLUS

600 x 400mm
1000 x 600mm
1600 x 1200mm

RIGID PLATFORM

600 x 400mm
1000 x 600mm
1600 x 1200mm

PRODUCT DATA

SITE MAT & ACCESSORIES

TECH
FEATURES

POLYETHYLENE PLATFORM

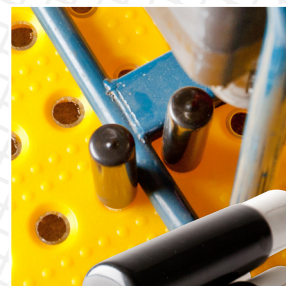

- > Improved unit rigidity
- > Stable surface for fluid container storage
- > Crush resistant to heavy machinery
- > Ribbed anti-slip surface

TECH
FEATURES

MACHINE LOCATION PEGS

- > To be used in conjunction with the polyethylene platforms
- > Protects against vibrating machines moving within the unit

TECH
FEATURES

SITE MAT HOLDALL

- > Manufactured using a heavy duty vinyl
- > Ideal for neat storage of the Site Mat system
- > Designed to suit site vehicles

TECH
FEATURES

SITE MAT BASE

- > Durable for demanding environments
- > Non-absorbent and washable unit for repeat applications
- > Must be used in conjunction with the new Filtatech liner system
- > Folds in half for easy handling when not in use
- > Polyethylene foam sidewall for ultimate memory rebound following compression

FILTATECH LINER SYSTEMS

Filtatech liners incorporate Lubetech's advanced innovative filtration technology. The durable oleophilic fabric allows the free-flow of water and selectively absorbs any hydrocarbon based contaminants present, i.e. oils and fuels. This unique filtering process provides a benchmark for on-site spill control.

The liners are manufactured using 80% recycled fibres, designed as consumable items and come in two levels of protection.

FILTATECH SMART LINER PLUS

TECH
FEATURES

SMART LINER PLUS

- > Premium level of protection against fuel and oil release
- > Full perimeter up-stand prevents contaminant release during extreme weather conditions
- > Held into position using velcro tabs
- > Manufactured using 80% recycled fibres

TECH
FEATURES

SMART LINER

- > Basic level of protection against fuel and oil release
- > High quality fibres form a strong tear resistant liner suited to demanding environments
- > Designed to sit snugly within the Site Mat base unit

FILTATECH SMART LINER

APPLICATIONS

The Site Mat in conjunction with the Filtatech system provide an environmental solution for the protection against oil and fuel contamination. Offered in three size options, the Site Mat has become an essential item for a variety of on-site operations.

SMALL SITE EQUIPMENT STORAGE, SERVICE AND REFUELLING

Suitable for tree surgeons, grounds maintenance teams, hard landscaping contractors

SITE PUMPS

Suitable for utility contractors, drain engineers, rescue services

GENERATORS

Suitable for construction contractors, mobile catering services, outdoor events, camp sites

PLANT SERVICING

Suitable for Plant hire mechanics, Hydraulic engineers, agricultural engineers

PRODUCT LIST

BASE UNITS

Code	Product description	Pack Qty
47-0600	600 x 400mm Site Mat base unit	1
47-1000	1000 x 600mm Site Mat base unit	1
47-1600	2000 x 1200mm Site Mat base unit	1

RIGID PLATFORM

Code	Product description	Pack Qty
47-0650	Site Mat rigid platform to suit 600 x 400mm base unit	1
47-1050	Site Mat rigid platform to suit 1000 x 600mm base unit	1
47-1650	Site Mat rigid platform to suit 1600 x 1200mm base unit	2

HOLDALLS

Code	Product description	Pack Qty
47-0680	Vinyl holdall to suit 600 x 400mm Site Mat base unit	1
47-1080	Vinyl holdall to suit 1000 x 600mm Site Mat base unit	1
47-1680	Vinyl holdall to suit 1600 x 1000mm Site Mat base unit	1

FILTATECH SMART LINER

Code	Product description	Pack Qty	Absorbency
47-0620	Filtatech Smart liner to suit 600 x 400mm base	1	3 Litres
47-1020	Filtatech Smart liner to suit 1000 x 600mm base	1	6.5 Litres
47-1620	Filtatech Smart liner to suit 1600 x 1200mm base	1	30 Litres

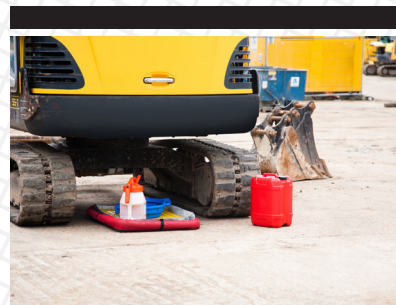

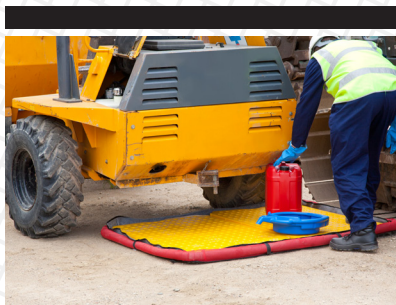

FILTATECH SMART LINER PLUS

Code	Product description	Pack Qty	Absorbency
47-0630	Filtatech Smart liner Plus to suit 600 x 400mm base unit	1	4 Litres
47-1030	Filtatech Smart liner Plus to suit 1000 x 600mm base	1	9 Litres
47-1630	Filtatech Smart liner Plus to suit 1600 x 1200mm base	1	36.5 Litres

ANCILLARIES

Code	Product description	Pack Qty
47-3000	Machine positioning pegs to suit polyethylene platforms	6
