

Wait less, do more.

The perfect companion for the avid photographer, videographer, design studio or printing house, the USB 3.0 Media Reader is compatible with all major media cards types. As card capacities and file sizes increase, there is an increasing need to get your images transferred faster.

Rely on Kingston's USB 3.0 Media Reader to move data between multiple devices quickly. Use it at home or on the road; its convenient size makes it ultra-portable.

USB 3.0 offers the same ease of use and plug-and-play capabilities as previous generations of USB technologies but with a performance increase (up to 10 times faster than USB 2.0) and better power management. This USB 3.0 Media Reader is backwards compatible with USB 2.0.

The USB 3.0 Media Reader is backed by a two-year warranty and legendary Kingston® reliability.

- > USB 3.0 – up to 5.0Gb/s data transfer speed
- > Ultra portable; sleek metal construction
- > Maximise the full speed potential of your memory cards
