

BRAND: GERBER
Model: FREEHAND

Freehand™

Multi-Plier®

Think big. Think tough. Think capable. Think versatile. Think about combining all those robust qualities into a king-of-the-road multi-tool. Think Freehand.

It's the biggest, toughest, most industrial multi-tool around. With thicker blades and a specialized industrial driver that can manhandle its way through just about anything.

We combined the functionality of our one-handed opening pliers with the convenience of outboard tools. The larger, manlier tools are easy to open with one hand, ensuring that you always have one free hand.

- Overall Length: 17,8 cm
- Closed Length: 13,3 cm
