

DT

This timeless black drive will always be in style.

DataTraveler® 100 Generation 2 (G2) is a stylish black drive that goes anywhere. Affordable and convenient, it lets you share, store and retrieve data in a flash. Carry all of your documents with you, wherever you go.

Built with simplicity in mind, DataTraveler 100 G2 features a capless design; the USB connector is safely housed inside the sleek case, so you don't have to worry about losing a cap. DataTraveler 100 G2 is available in capacities of up to 32GB to give you plenty of room for all your documents, photos, MP3 files and video clips.

DataTraveler 100 G2 is customisable through Kingston's Co-Logo programme, which lets you promote your organisation or brand. Backed by a five-year warranty and legendary Kingston® reliability, DataTraveler 100 G2 is a reliable, inexpensive solution for carrying your digital files everywhere you go.

- > Pocket-sized for ease of transport
- > Capless design; no cap to lose
