More Information:

TUK's Panel Mount Connectors Range offers a wide variety of audio, video and data connectors which can easily be mounted into panels of virtually any thickness.

Die cast adaptor is robust and ensures easy mounting (into standard cut-out) and reliable earthing.

All connectors are made to relevant standards. Category 6 and 6A connectors are made, for example, to FCC68 and to TIA/EIA 568B and have an insertion life of >750 mating cycles. All products are CE compliant (i.e including ROHS and REACH)
