

129445

### **Power Probe Kit Part No 129445**

This unique kit has been designed to be used with the ever popular 'Powerprobe' Circuit Testing Devices.

Compatible with both I and II versions.

Simply unscrew the 'Powerprobe' tip and screw in the double insulated silicone extension lead.

You are now able to use any one of the accessories supplied as standard.

These are:

121051 Back Probing Probe

121046 Cable Piercer

126009 Large Crocodile Clip

The 4mm plug on the extension lead is compatible with all of the other Automotive accessories manufactured by us.
