

TTM430 / TTM460 Thermal Transfer Printers

HellermannTyton's TTM430 and TTM460 thermal transfer printers are ideal for medium to large volume users looking for an easy to use and extremely functional thermal transfer printer. The TTM430 is a high quality 300 dpi printer with excellent print resolution for text and barcodes used in general industrial applications. The TTM460 is a 600 dpi printer which produces the highest quality print for very small text or smooth graphics. Both the TTM430 and the TTM460 print to a wide variety of materials including all HellermannTyton's labels and ShrinkTrak. An optional cutter can cut all of the materials per label, or by the batch. The printers are also both ethernet and wireless network ready, which gives the user options on placing the unit independently of the host computer. While on a network, the status monitor (included in the driver) will alert users if the printer is out of ribbon and at the end of labels. The printer can even email the user if any of these activities occurs. Used along with TagPrint Pro, the TTM430 or the TTM460 will offer error free printing and seamless operations.

Product Features:

- TTM430 - 300 dpi thermal transfer printhead
- TTM460 - 600 dpi thermal transfer printhead
- Print speed up to 7.87"/second
- Straight through design allows easy loading of ribbon and labels (Labels are held in an interchangeable media hub)
- Larger spools or fanfold material can be fed through the back of the printer
- 64mb memory/8mb flash
- Easy to use operations and status panel
- Two adjustable gap and reflex sensors
- Lightweight/minimal foot print
- Optional cutter face plate allows labels and ShrinkTrak to be cut off after printing
- Printer status screen with date/time/network status/head temperature/ribbon amount

Printing:

- Prints on ShrinkTrak, adhesive and paper labels, and TipTags/HoleTags
- Uses standard 1" core HellermannTyton ribbons: (TT100OUT, TT822OUT, TTDTHOUT, TTHTOUT, etc.)
- Maximum print width – 4.25" (108mm)
- Minimum print width – .24" (6mm)
- Cutter (per label, per batch) optional
- Highly accurate sensors

Specifications

Article Numbers	TTM430 – 556-00430 TTM460 – 556-00460
Dimensions of Printer	Width – 9.45" (240mm) Height – 12.28" (312mm) Depth – 17.13" (435mm)
Weight	13.2 lbs (6kg)
Power Supply	100 – 240V
Operation Temperature	+50°F - +95°F (+10°C - +35°C)
TTM430 Print Density	300 dpi
TTM460 Print Density	600 dpi
Media Diameter	Total diameter – 8.27" (210mm) Core diameter – 1.49" – 3.94" (38 – 100mm) Winding direction – inside or outside
Material Thickness	.0028" – .014" (.07 – .35mm)
Operating System	Windows 2000/XP/Vista 32 – 64 bit/2003 32-64 bit Mac OSX 10.3 and newer Linux SUSE 9.0 CUPS based

Communications:

- Serial/USB 1.1, 2.0
- Ethernet 10/100 Base T – Interface with TCP/IP protocol. Static or Dynamic IP
- Wireless – 802.11 b/g (with optional HellermannTyton wireless card only)
- Compact flash card reader (not needed for printing)
- USB printer ports (not needed for printing)
