### Details

#### Description

The especially robust and compact K 3.200 is suitable for regular use for moderate soiling around the house. The high-pressure cleaner is equipped with a long-life, water-cooled induction motor. Its aluminium telescopic handle ensures convenient storage and high mobility. The device is easy to transport and fits perfectly in the boot. An impact-resistant, recyclable plastic casing prevents dirt particles from damaging the motor and pump. A safety valve prevents pressure overload. A pressure switch control switches the motor on and off when the gun is pressed and released. A high-performance machine with light and high-quality N-Cor pump to reduce noise. A large On/Off switch, a cleaning agent suction hose, accessory storage, and an ergonomically designed trigger gun fitted with two Quick Connect hose end connectors are further features of the K 3.200.
