

Datasheet

Product – MK7

Order Code – MK7.9A

Colour – Grey

Features & Benefits

The MK7 with its ergonomic design can be used anywhere. The casing is made of glass fibre reinforced polyester making it extraordinarily light. The MK7 is a state of the art tool for applying HellermannTyton cable ties up to a width of 4.8mm. The MK7 has a three level preset tension device for quick adjustment. Further adjustment is possible within each level. MIL approved.
