A technical line drawing of a mechanical part. The part features a central rectangular area with a horizontal slot near the top. Above this slot, there are two vertical columns with rounded tops. The height of the central rectangular area is indicated by a vertical dimension line on the left, labeled '1.95'. The total width of the part is indicated by a horizontal dimension line at the bottom, labeled '1.75'. A vertical line extends upwards from the top center of the part, intersecting the top edge of the central rectangle and the top of the vertical columns.

A technical line drawing of a wall section. The wall is 1.15 units thick. A central rectangular opening is shown, with a smaller rectangular cutout at the bottom center of the opening. The top edge of the opening has a decorative scalloped pattern. The right side of the wall features a vertical flange with a horizontal slot and a small rectangular protrusion. The left side shows a vertical flange with a horizontal slot and a small rectangular protrusion. The bottom edge of the wall is straight.
