iKC/iKB Laser or hand writable cable clip

Tyco iKC/iKB are cable clips designed for the identification of wires and cables in rough, damp and dusty environments.

The legend strip (iKB) with the printable information is embedded in the cable clip (iKC) and therefore has all- round protection.

The cable clips are fastened on using cable ties.

.

Features and benefits

- Protects against damp, dust and dirt
- iKB legend strip marked with a laser printer or by hand
- Universal application on various cable diameters
- iKB legend strip is a dual color label with white on one side and yellow on the other

Temperature rating

Operating temperature -26°C to +130°C (-15°F to +266°F)

Printer Information

Standard laser printer with auto/manual sheet feed
