Model: 706 iPod Holder with InDash Adapter

The Only Holder that works with-without protective skin or hard-case!

The perfect solution for holding your iPod Classic.
Compatible with all mounts with an AMPS hole pattern.

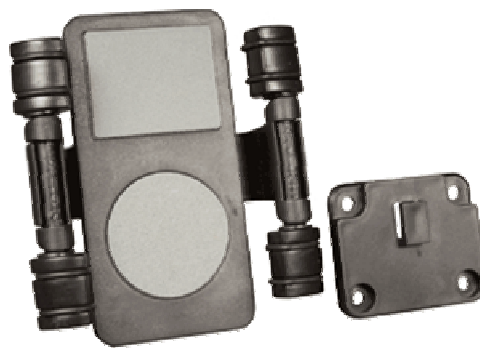

iPod Holder

Simply rotate the arms to adjust the spacing for iPods with "skin," "no skin" or "case." (patent pending design)
Spring-loaded arms gently, yet securely, hold all iPod classic models.

Neoprene rubber pads help protect the back of the iPod.
Includes the PanaVise model 670X T-Slot adapter.

The T-Slot adapter attaches easily to any AMPS compatible mount using the included hardware.

The holder slides on and off the T-Slot.
