

Label Remover

Product Code: LRM

PRODUCT DESCRIPTION

Label Remover has been specially formulated for the quick and efficient removal of paper based pressure sensitive adhesive labels. **LRM** is 100% Ozone Friendly.

PRODUCT USE

For the removal of pressure sensitive adhesive labels from a variety of surfaces. Product contains combustible solvent so do not spray onto live electrical equipment or other sources of ignition.

Spray or wipe on, leave in contact for 5 minutes and then peel off label. Wipe surface clean.

FEATURES

- * Non-CFC, non-halogenated solvent which will not attack Ozone Layer.
- * Allows label to be simply peeled off without leaving adhesive residue or scratching surface.
- * Harmless to most plastics, rubbers, elastomers, and surface coatings when used as directed. Test sensitive plastics on a small area first, and do not use on polystyrene.
- * CO₂ propelled aerosol version available containing 20% more active cleaner, fitted with a 360° valve for use in any orientation.

TYPICAL PROPERTIES

Specific Gravity @ 20°C:	0.830(LRM01L), 0.79(LRM200D)
Inhalation Toxicity:	300 ppm
Residue on Evaporation:	<1ppm
