NEW!

- Cement onto HF1 Conduit (opposite) and convert the rough cut end into an NPT threaded hub.
- Allow for the installation of Heyco Liquid Tight Cordgrips (Section 3) including Heyco Solar Mastheads and Combiner Box Cordgrips—as well as other NPT hub parts, onto the end of Heyco-Flex I Conduit (opposite).

Heyco® Female Threaded Couplings

For Heyco HF3C and other NPT Hub Components

Will Fit These Electrical Fitting NPT Trade Sizes	PART NO. Gray	DESCRIPTION
1/2	8665	FTC 1/2
3/4	8666	FTC 3/4
1	8667	FTC 1
1-1/4	8668	FTC 1-1/4
1-1/2	8669	FTC 1-1/2
2	8670	FTC 2

- Both ends feature female NPT threads for joining various male NPT hub parts.
- Facilitate the connection between Heyco-Flex III Fittings (HF3C – pages 2-9 & 2-10), Conduit (HF3 – page 2-4), and the various Heyco Liquid Tight Cordgrips (Section 3) typically used in solar installations.
