**The perfect tool for any job**

Screwty® is the ideal, all-purpose tool for tightening all common sensor and actuator cables. Even difficult-to-reach round plugs are accessible using the Screwty®.

A simple turning movement tightens and loosens the connectors without the need for excessive force. The Screwty® is a unique and global solution since it fits with most cables and plugs from other vendors (over 90 %). The Screwty® consists of a handle and a conventional 1/4" adapter. Thus it can be used for all sizes: for M12 and M8 round plugs, for M12F and M8F variants, and for customisable plugs and sockets.

General ordering data

Type	Screwty Set
Order No.	1910000000
Version	Tools, Bolting tool
GTIN (EAN)	4032248436842
Qty.	1 pc(s).
