Items included

SOLDERING GUN 100W

EXTRA GUN TIP 1

EXTRA GUN TIP 2

SK-1000 is a basic convenient 5-piece soldering kit consists of an SP-100 instant heat soldering gun and 2 extra gun tips, packed inside a blow mold carrying case.

The SP-100 is a 100W instant heat, double insulated soldering gun. The tip reaches full working temperature (in excess of 440°C) in just seconds. Its light weight and balanced pistol grip design is suitable for fast soldering jobs. The plastic housing is 100% impact resistant. Comes with a built-in solder joint work light. Comes fitted with a BP mains plug for 230v operation.
