

# ADNK-9500

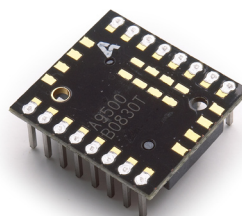

## LaserStream™ Gaming Sensor

## Sample Kit

Lead (Pb) Free  
RoHS 6 fully  
compliant

### Kit Components

Part Number	Description	Quantity
ADNS-9500	LaserStream™ Gaming Sensor	5
ADNS-6190-002	LaserStream™ Gaming Round Lens	5
CD	a. ADNS-9500 Sensor Data Sheet b. ADNS-6190-002 Lens Data Sheet c. ADNK-9500 Sample Kit d. ADNS-9500's Eye Safety Application Note AN 5418 e. 3D Model Files f. SROM File	1

### Sensor

The sensor technical information is contained in the ADNS-9500 LaserStream Gaming Sensor Data Sheet.

### CD

The above technical information for the sensor, lens and 3D Model Files are contained within this media.

### 3D Model Files

The 3D model files include the 3D drawing of ADNS-9500 sensor package, ADNS-6190-002 lens, Recommended PCB Cutoff and Base Plate Feature. They provide the reference on the housing assembly design to ensure optical alignment.
