

## Stacker Lights - Buzzer

Available in Black / White and 50mm / 70mm

The Delta Design Stacker Lights range includes an adjustable buzzer for audio signalling. Available in both the 50mm and 70mm range the 100dB buzzer is switchable between a continuous and intermittent alarm. Also available in the 70mm range is the high volume buzzer with an adjustable volume of up to 120dB.

### 50mm range

| Size | Colour | Volume | Part number<br>AC85 - 275V | Part number<br>DC24V |
|------|--------|--------|----------------------------|----------------------|
