Product Description

The ISS insulating tube provides good insulation against heat, cold or temperature fluctuations.;It is also resistant to most chemicals.

RoHS

Application range

- Insulating tapes and insulating sheaths

Benefits

- The ISS insulating tube provides good insulation against heat, cold or temperature fluctuations.
- It is also resistant to most chemicals.

Note

- Not suitable for shrinking.

Technical Data

Material
Silicone
UV-resistant

Temperature range
-60°C to +180°C

Article List

Part number	Article designation	Colour	Internal Ø x wall thickness (mm)	Material	Contents (m)
61760060	ISS 2	natural	2 x 0,4	Silicone	100
61760070	ISS 3	natural	3 x 0,4	Silicone	100
61760080	ISS 4	natural	4 x 0,75	Silicone	100
61760090	ISS 5	natural	5 x 0,9	Silicone	100
61760100	ISS 6	natural	6 x 0,9	Silicone	100
61760110	ISS 7	natural	7 x 0,9	Silicone	100
61760120	ISS 8	natural	8 x 1	Silicone	50
61760130	ISS 9	natural	9 x 1,05	Silicone	50
61760140	ISS 10	natural	10 x 1,05	Silicone	50
