

PROCUT A4 320 Paper Trimmer

A precision paper trimmer with a 320mm cutting length and a paper clamping mechanism for precise cutting. The cutter is mounted on a table measuring 430x190mm (LxW) which has been marked with a metric and imperial scale (mm and inch), angled scale (45°, 30°, 15°) together with a useful paper size scale (A5, A4 etc.). The cutter has a 0.5mm cutting capacity and is mounted on non-slip rubber feet.
